[Calendar](#)

As we move into the new cycle of seasons, we are grateful for all of you that have supported CIRCLE over the last year in many different ways. We hope that you can join us for the Winter Solstice ceremony. It feels like a significant time as there is a full moon eclipse the morning of the 21st. A solar eclipse follows on January 4th. There are so many changes in peoples lives these days that it is nice to know that we can count on the sun returning for another season of growth.

Wishing you an amazing new year of love, joy, and abundance!

Heron

## What's New?

---

**Change in memberships** - We are changing the memberships to a calendar year and the membership fee will go up to \$20 for an individual membership and \$35 for a family membership as of January 1 2011. **You can renew up to Dec 31 for 2011 at the old rate of \$15 individual and \$25 family.** Unless you have renewed your membership in the last two months, your 2011 membership will be due in January. Take advantage of the reduced rate during December to renew now.

**Annual Giving** - This year was tight financially for CIRCLE as I am sure it has been for many. Between a few programs at Shequaga being canceled and the extra expense of the new well, we are still dependent on all of you who believe in the importance of what CIRCLE does and the sacred space at Shequaga to keep things going over the winter months when the mortgage needs paying and not much is coming in. Any amount you can give is tax deductible and much appreciated!

## Movie Nights

We are planning to continue our Movie Night Fundraisers into the new year. Right now the tentative dates are Jan 15, Feb 12, Mar 12, and April 16. We all had fun at the one last spring and this fall - homemade soups, salad, cookies, good conversation, a movie, popcorn, a great discussion, what more could you want? We will be keeping you posted on what movies will be shown as well as the exact dates and location. Hope to see you there!
