

CIRCLE News - Spring Equinox, 2010

www.circleinc.org

Community of Individuals Revisioning and Celebrating Life on Earth

Winds of Change are in the air this Spring as we move into this next season of growth. As you can see we have changed the format of the newsletter and are now distributing it through a web-based email program to avoid having to send it blind copy. This simplifies maintaining the email list for CIRCLE. Check out all that is happening and give us some feedback.

We are still looking for funds for the well project. We have about \$3000 right now and need \$6000 to complete the project which must be done in April. All donations are welcome and tax deductible. We have two fund raisers this Spring - the Psychic Fair on May 29th and Movie Night on March 13th. Check out the details.

I hope your dreams are sprouting with the growing warmth and sunlight!

In love and light,
Heron

* donation only

W women only

See website for description of groups

This Year at Shequaga

Libby Ford, Carol Singing Wind McCoon, and Gary Graves will head up the running of Shequaga this year, organizing workdays and overseeing the many operational tasks required by the Health Department.

As you know we still need funds to finish the new well. This will hopefully result in sulfur free water for drinking and showers. Thanks to all who have donated so far!!

Check out the Calendar for the schedule of events so far. More info on each retreat is available at www.circleinc.org. To registration for CIRCLE sponsored events print out the registration form on the website.

Workdays at Shequaga will be scheduled beginning in April (keep checking the website for details). Earn \$10 CIRCLE Dollars per hour worked that can be spent for up to half of a CIRCLE sponsored workshop or for camping fees. Be a part of the community as we work and play together at Shequaga!

Rules for Shequaga day use and camping can be accessed on the website. Be sure to let us know if you are planning on camping by calling 585-924-5620. You must sign a release form - find them in the trail box by the pond.

About Us

CIRCLE, Inc., is a non-profit 501c3 educational organization that offers programs that promote a holistic view of self in relationship to community and environment as well as a sustainable future for humankind, all our relations, and Earth. Community programs held in the yurt in Victor, NY, provide the opportunity for support and celebration of our individual and collective spirits.

Our retreat and camp programs are held at Shequaga, 50 acres of CIRCLE-owned land near Dansville, NY. Woods, meadows, creeks, waterfalls, a pond, and a turtle shaped building provide a peaceful and sacred space for transformation and connection.

Join us in creating loving community that supports individuals on their spiritual journeys in a meeting place of many different spiritual traditions. We are building a foundation for a new way to be in our lives as human beings.
