Community of Individuals Revisioning and Celebrating Life on Earth

What's New

It hardly seems like it is Winter Solstice time with the balmy weather lately, but the growing darkness is upon us as we move into the dreaming cave to dream a new way of being on Earth. Join us at the Solstice to welcome the new cycle!

Shequaga is still for sale. We have some interested parties but if you know of anyone else who might be interested, they can access info at www.homesteadnet.com by putting in the address 9470 Schmidt Road. Until it is sold we need to continue our fundraising movie nights so I hope you can join us for that. Once the property is sold we will have a better sense of what summer programs we will be offering for 2012 and where we are going from here.

Thanking you all for your support over the years looking forward to visioning with you new possibilities for the future.

About Us

[CIRCLE, Inc.](#), is a non-profit 501c3 educational organization that offers programs that promote a holistic view of self in relationship to community and environment as well as a sustainable future for humankind, all our relations, and Earth.

Our **Community Programs** held in the [Yurt](#) in Victor, NY, provide the opportunity for support and celebration of our individual and collective spirits.

[Wisdom Circle](#) and [Shamans Circle](#) are open to men and women (donation only). [Community gatherings](#) around the Equinoxes, Solstices, and cross-quarter days are open to men, women, and children (old enough to enjoy the program). [Childrens \(Butterfly/ Dragonfly\) Lodge](#) is open to girls and boys (age 5-13) and moms, dads, or other loving adults. [Womens Circle](#) is an opportunity for women to share their spirituality and learn together. [Grandmother Lodge](#) is for women of moon-pause age to share their collective wisdom (winter months meetings are at grandmother's houses for tea).

Join us in creating loving community that supports individuals on their spiritual journeys in a meeting place of many different spiritual traditions. We are building a foundation for a new way to be in our lives as human beings.
